Your specific tuition & fees charges will appear in your University student account at the Student account Quick Link on onestop.umn.edu approximately four (4) weeks before your enrollment period (i.e., your first day of class).

Residency

Because the University is a state institution, Minnesota residents pay lower tuition than nonresidents, and, in many programs, receive priority consideration for admission.

To qualify for resident status, you must be a U.S. citizen or permanent resident (green card holder) who has resided in Minnesota for at least one calendar year prior to the first day of class attendance.

During that one-year waiting period, your primary reason for living in Minnesota must be something other than school attendance. Exceptions generally apply only to veterans, migrant workers, specific federal employees, and faculty at Minnesota colleges. You do not qualify for Minnesota residency if you hold a temporary international visa.

Enrollment level

If you are in a degree program, you must pay a flat tuition rate based on 13 credits, no matter what your credit load. Any credits beyond 13 are available at no additional charge.

Even if you register for 12 or fewer credits, you will pay the 13-credit flat tuition rate. If you are not in a degree program, you are charged per credit for credits 1–12 and a flat tuition rate for 13 or more credits.

Exemption approval

To enroll and pay only for 1–12 credits at the per credit rate, you must be approved for an exemption from the 13-credit policy.

If approved, you will be billed only for the credits you take. For consideration, submit the 13-Credit Exemption Request online <http://z.umn.edu/creditexemptionrequest> or the printable version at Forms online under Registration by the end of the fourth week of the semester.

Fees

The fees charged to your student account may be based on one or all of the following:

- enrollment level
- specific college or program
- courses taken

You will be assessed mandatory general, service & usage fees, as well as college & program fees, based on your enrollment.

Student services fee

The student services fee is distributed among various student programs that are listed online, along with their amounts, at onestop.umn.edu/finances/costs_and_tuition/tuition_and_fees/student_service_fees.html.

If you are enrolled for 6 or more credits, you must pay a student services fee of $430.51 per semester (unless exempt per classifications below), in addition to tuition. Courses that carry no degree credit and all audited courses are included in the credit total (one class hour equals one credit).

Exemptions—You do not need to pay the student services fee if you are a student who is admitted to a credit certificate or specialized/evening/part-time academic plan (contact your program office); not admitted to a degree program; enrolled in the post-secondary enrollment options (PSEO) program; a Regents Scholarship recipient; or registered in the Senior Citizen Education Program.

You must pay the fee if you want access to services covered by the fee (health plan excluded). Regents Scholarship recipients and Senior Citizen Education Program participants are not allowed the option to pay the fee.

Course fees

Course fees are specific to the subject and term and may change from year to year. Go online for the most recent fee amounts <http://onestop.umn.edu/finances/costs_and_tuition/tuition_and_fees/course_fees.html>.

If you are enrolled in an Online and Distance Learning (ODL) course, you will be charged an ODL fee, as follows:

1 credit = $0
2 + credits = $90
